Appropriate Device Usage

Students are expected to use all technology in respectful and responsible ways at all times in all areas of the school.

1. Students can use personal devices before school, at break, during lunch and after school.

2. Personal devices are to be stored in lockers during class time, unless otherwise advised by an adult.

3. If not meeting expectations around appropriate use, an adult may confiscate the device. Parents will be notified and will be a part of the progressive disciplinary process.
