At **Samuel W. Shaw School (SWS)**, we are incredibly proud of the vibrant, supportive, and dynamic learning environment we've cultivated for our students. Our May 1 Open House is a celebration of the hard work, dedication, and incredible achievements happening every day at our school. This is an event you won't want to miss!

Why You Should Join Us on May 1:

Explore the energy, rigor, and creativity that define learning at SWS! In the evening, the school truly comes to life with opportunities to:

- Watch a **Spring Concert** featuring our Grade 7–9 Bands and the SWS Choir beginning at 6PM
- Enjoy self-guided tours of our dynamic learning spaces—including classrooms, Phys Ed, CTF, which is comprised of Drama, Construction, Foods, Design, and Music with Storm Leadership students on hand to point you in the right direction
- Visit the **Storm Store**, where our Band Parent Council will be selling treats to support the music program
- Grab **Storm swag** from SWS Athletics
- Connect with **teachers, staff, and other families** to learn about programs and student supports across all grades
- Dine at **YYC Food Trucks** parked along Shawinigan Drive for a relaxed, festive vibe.
