

High School 101 : THE REAL DEAL

Youth ages 13-15

**Perfect for the soon-to-be highschoolers and
curious parents too!**

New School. New Teachers. New Lockers.

High school is a big adventure - and we're here to help you feel ready!

**This fun and friendly session is your back stage pass to what high
school is really like.**

**We'll chat about changing classes, making friends,
handling homework (yes, it happens), and all the little
things no one tells you about.**

**Come with questions, leave with confidence - and maybe a
few laughs.**
